PRIMARY EXAMINER

DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-7 have been found to be allowable over the prior art since the prior art either alone or in combination, neither discloses nor makes obvious the combination of a plate positioning and processing apparatus, as well as the corresponding method, comprising a first pair of first positioning pins and a second pair of second positioning pins for determining a position of the plate, along with a first conveying means, a second conveying means, a third conveying means, a fourth conveying means, a first and second processing means, with particular functions and connecting among these elements, as recited in the instant claims of the present invention .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior Art Made of Record

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Saikai et al (U.S.Pat. 4,956,662) and Koizumi et al (U.S.Pat. 6,662,725) discloses imaging device and positioning device for positioning printing plate and have been cited for technical background.
